Dear Parents/Guardians,

Welcome to Lux Middle School!

I am very excited to welcome all of our students to Lux Middle School for the 2017-2018 school year. As principal, it is my privilege to serve our students and the entire Lux Community. At Lux, we are dedicated to bringing quality instruction that is student centered and focused on achievement. As always, our staff is excited with the anticipation of a new school year.

On the first day of school, Monday, August 14, we will have a short opening day flag-raising ceremony. It will begin at 7:50 a.m. in the front of the school. All families are invited to attend. After the ceremony, the 7th and 8th grade students will report to their 1st period class; 6th graders will be directed to the gym to discuss their schedules and help them to their first period class. The first two days of school, we will dismiss students at 1:38 p.m. **Please note LPS Middle Schools are dismissed regularly at 2:58 p.m.**

To get students prepared for the first day of school, Lux will host an Open House on Thursday, August 10 from 4:30-7:00 p.m. Students will be able to tour the school, find their classrooms and lockers, and practice opening padlocks. They will also be able to buy bus passes and put money into their lunch accounts.

This year, every student will be assigned a Chromebook. Chromebooks are web browser-only computers. They have no built in memory. In the 6th grade, Math and Language Arts classes will deliver curriculum through the Chromebook. The 7th and 8th grade will utilize Chromebooks to support curriculum. Chromebooks will be handed out to students the first week of school. **There will be no Parent Chromebook Night.** If you have any questions regarding Chromebooks, we will answer them at our Open House.

This informational packet has several handouts and flyers with pertinent information. Below is a short list of the contents.
