

## **Lux Booster Board Meeting Minutes for 3.4.2019**

**Attendance:** Margo Schnell, Jodie Paprocki, Angela Melton, Cara Frost, Duane Dohmen, Lori Feldman

**Parents:** Cynnamon Densberger, Lynne Schuller

The **Treasurer's report** was shared. We have nearly doubled our account balance from what Duane gave us at the beginning of the school year.

The **Rock-A-Hula Luau** brought in \$1077.50 after costs were taken out. A great turn out for us. Lori Feldman suggested having 9<sup>th</sup> graders come back to teach line dances. Not sure if 9<sup>th</sup> graders would be willing to come back, and all students learn the line dances as part of the 8<sup>th</sup> grade curriculum.

**Suggestions for Next Year:** PreSale on the day of the event worked very well! Giving the leis at presale also is a great idea and they have a decoration to wear. If we run a contest for best: Hair, Hawaiian outfit, Tourist we need to give more notice, probably when we start advertising for the dance. Announce winners over the microphone at the dance. Raffle tickets also worked well for Urban Air tickets that were donated. StuCo were a great help with tickets at the door and selling concessions. They should get free entrance for volunteering.

**Box Tops:** Idea to have a contest amongst pods to generate more box tops. Decorated tubs in each pod would serve as a reminder to turn in tops. Contest to go 2-3 weeks with a 30-minute recess as the prize. Tara & Alison are our Chairs for next year and we will share this idea with them.

**T-Shirt sales** were not a very good profit this year. How should we do it? We discussed letting StuCo do it only? Or at least try to not overlap sales like they did this year. Also, selling other items may be an idea.

Margo mentioned that the Boosters need a place to **store our things**. We will purchase a plastic tub for storing our items (decorations to reuse, plates & napkins for teacher meals, etc.) and then anyone can get into the items when needed. We are not to go into the office copy room as there are many confidential items in there and we do not want to be at risk regarding that. Duane and Adeana are thinking of where that place can be and Duane suggested talking to Devin about where there may be room for us.

**8<sup>th</sup> Grade Dance is May 17<sup>th</sup> from 6-8PM.** The students will have one hour in the gym and one hour for a dance. There are about 350 students, but generally 150-200 attend. Boosters will provide FREE pizza and drinks. We may try to contact the parent who works for Hershey to see if she could donate one candy bar per student. We will order 20 pizzas and decide how we want to serve drinks. It's probably cheaper to use cups and 2-liter bottles of soda.

**Hershey Parent:** Mary Breton-ph#402.489.4932/c# 402.440.8165

**Dine Outs:** We are still in need of a chair to schedule Dine Outs for next year. We discussed doing one/month starting in September - May. We need to do a better job of advertising this either with signs in the building OR a large easel or lawn signs outside for parents to see on the day of the event!

**March 18:** Get a SignUp Genius started for the teacher spring salad luncheon.

Discussion on **how we are spending our money** this year. It was discussed that it would be nice to actually know what we can buy this year and share with parents. Items discussed were:

**8<sup>th</sup> grade dance:** pizza, pop, cookies or donated candy bars

**6<sup>th</sup> grade field** trip to Omaha Zoo

**7<sup>th</sup> grade:** possibly help with Greek Day/Field day treats or something?

Picnic Tables for the back-play area/recess area. This is an item that has to go through District Office before we can do anything. Talk to Julie about what picnic tables we can buy. She has a catalog of possible approved items.

Basket Balls, 4 square balls: 2 each. Check with Julie as well.

Zigi - \$100 each approx. District Office will have catalog and access to vendor on these as well. Not sure who would get them, maybe one teacher per grade level? Hope to have this information collected by next meeting.

**Salt Dogs Game is scheduled for May 23.** Jodie is meeting with the Rep to get details and find out if there is a penalty for not having enough attendance.

**March 28:** Booster Table at the 6<sup>th</sup> grade welcome night

Jodie mentioned signing up for **AmazonSmile** for .5% of Amazon sales from any Lux parent/family member to go into our bank account as one more way to raise funds for our group.

**Elections** were held and the **new Lux Booster Board Members for 2019/2020 are:**

**Jodie Paprocki, President**

**Angela Melton, Vice President**

**Andrea Davenport, Treasurer**

**Cara Frost, Secretary**

**Lori Feldman, Teacher Rep**

**6<sup>th</sup> Grade Parent Rep, to be filled**

**Duane Dohmen, Principal**

**May 1, 2019** new officers will take over.

**730PM Meeting adjourned.**
