

March 22 **Parent Update**

Lux families,

The school has accumulated an impressive amount of lost and found items, ranging from winter coats to lunch boxes and water bottles. We are working to return any marked items to students, but would like your help in encouraging them to look through and claim any misplaced belongings. Anything remaining at the end of this week will be removed and donated to a local charity.

Here's more news from Lux:

Gym area construction

Construction on the new gym area is underway. While this project should not affect activity inside the building, there will be impacts outside. Some fencing has already been placed to the north of the gyms at the west end of the soccer fields. While students may still approach Lux across the fields, please help us communicate that the fenced area is to be completely avoided. Thanks for your help in keeping everyone safe through the duration of this project.

Library Books

The library needs its books back. Please encourage your student to look around for library materials and return them for others to enjoy.

NSCAS testing dates

NSCAS testing dates are approaching. Please review the following dates and make every effort to have students in attendance during the testing window. Students will take Reading tests in their English/Humanities classes, and Science and/or Math in their Science/Math classes. If remote students plan to test, they must test at school. Contact Mr. Burch (bburch@lps.org) for more information or to make arrangements for remote students.

- Reading: [April 5-7](#)
- Science (8th Grade Only): [April 12-14](#)
- Math: [April 20 - 22](#)

Mourning Hope Family Grief Support Groups

Do you know a child or teen who has experienced the death of someone significant? Join Mourning Hope for an online Family Grief Support Group. This free, online support group is for families with children ages 6 through 18 who have experienced the death of someone significant in their lives.

Caregivers attend a separate group to learn how to support a grieving child, as well as receive grief support themselves. This group enables both youth and their caregivers to develop healthy coping skills and work through complex emotions associated with the death. Most importantly, children and teens will recognize they are not alone in their grief. Click [HERE](#) for more information.

Yearbooks

Reserve your student's yearbook now and have a keepsake from this remarkable year forever. Yearbooks are \$30 and can be purchased through ParentVue or in the office with exact cash or a check to Lux.

You can determine whether or not you've purchased a yearbook by looking under the "Fee" tab on ParentVUE. "Outstanding fees" are listed in a box at the top of the page, "Paid fees" are in a box below.

Tutoring

Zoom tutoring with East High students continues each Wednesday from 3:05-3:45pm. To sign up, contact Caroline Seymour, cseymou@lps.org, with your student's name, grade level, subject area, and the date they will be attending.

Remote/In-person learning

Remember, if you would like to change the status of your student's learning from in-person to remote OR remote to in-person, call the Lux Registrar at 402-436-1220 or email at amabry@lps.org.

LPS Help Desk is available

Is your student having trouble connecting to their classes? The LPS Help Desk is available to help! Call 402-436-1735 between 7:00am-4:30pm [Monday-Friday](#).

Boosters

For all the latest Booster news, meeting times, fundraising and other activities, check out the Booster [website](#) and facebook page.
